[11](#). (U) Classified by Charge d'Affaires, a.i. Richard A. Albright for reasons 1.5 (b) and (d).

[12](#). (C) Charge d'Affaires urged UAE Central Bank Governor

Sultan Nasser Al-Suweidi on August 27 to check carefully for offices or financial assets of individuals and charities designated in ref B for asset-freezing under U.S. Executive order. Al-Suweidi responded that the Central Bank had searched the UAE banking system for HAMAS-related assets as recently as March 2003, but would investigate the list of new names and entities that Post provided (ref A).

13. (C) The Governor also noted that investigating HAMAS-related assets in the UAE is "very sensitive" and has "security implications." Al-Suweidi said he would inform us of any actions or blocking of assets the UAE Central Bank undertakes.
